# Why Metavid?

- ▶ Improve government transparency by archiving Congress
- ▶ Make large amounts of video useful
- ▶ Aggregate available metadata

# What gets automatically archived?

- ▶ Video
- ▶ Closed caption text
- ▶ On screen speaker information
- ▶ Data on members of congress

# How can the community help?

- ▶ Improve accuracy of existing data
- ▶ Tag speech topics
- ▶ Link to additional content

# What are some use cases?

- ▶ See what actually happened
- ▶ Link relevant speech in your blog with context easily available
- ▶ Search for food items
- ▶ Complex searches

# What software is used?

- ▶ MediaWiki
- ▶ MetavidWiki
- ▶ Semantic MediaWiki External Data Plugin
- ▶ Annodex
- ▶ Several more open source packages

# What does it look like?
