Statistics of Accepted Work

	Session	Long	Short	Statement	TOTAL
Social Collaboration Environment	1,2	2	4	2	8
Social Web Analysis	3	2	1	2	5
Privacy and Trust	4,5	3	1	0	4
Mining Social Semantics	6	2	2	1	5
Knowledge Representation	7	2	2	1	5
TOTAL		11	10	6	27

TODOs

- Copy your slides to USB
- Post questions on the panels via wiki or email
- Social Networking (we have 36 people), let's eat our own dog food

"Semantic Wiki Meetup at Stanford"
Wed. 2-6pm, M104, Stanford Medical School
<http://tw.rpi.edu/wiki09>

- Keep your talk short and be more interactive (30,10,5)
- Start breakout groups for Tuesday afternoon discussion
- Prepare one-minute lightening talks for wed brainstorm
